# **Welcome to the Seventeenth Annual ARL Employee Recognition Celebration!**

This is our time to celebrate the successes of ARL and its divisions as well as the accomplishments of all ARL colleagues. It's been another spectacular year!

The ARL Recognition Celebration continues the tradition of honoring ARL colleagues who have demonstrated excellence over the years. This celebration of excellence honors the legacy of Michael Cusanovich, Regents Professor and accomplished Director of ARL from 1988 until 2010.
